ON-SITE ADMISSIONS DECISIONS

Applicants who have successfully submitted their application for admission and supporting documents by September 24, 2021, will receive an admissions decision at the conclusion of the program on Sunday.

Each group coordinator will be issued an envelope with the decisions for the group’s participants, to be issued after returning home and departing the buses. Those not riding buses will be issued their decisions after the buses depart.

There are three outcomes for on-site admissions decisions:

- **Offer of admission**: an offer of admission to the major selected on your application.
- **Hold**: additional or updated information is required before final admission decision can be made. (Listed on decision sheet)
- **Denial**: admission has been denied and information about the transfer route has been provided.

If you have questions or concerns regarding your decisions, you may contact our office.

If you missed the deadline for on-site admission decisions, don’t worry. All Fall Visitation attendees have until Friday, November 19, 2021 to submit an application and supporting documents to receive an advanced decision. Decisions will be mailed directly to the applicants no later than December 15, 2021.

**Keynote Speaker**

**Eric M. Latham**

Since then, Latham has organized several walks to raise money for good causes.

In 2008, Latham published a second book, "Entitled to a Nation." His travels took him all around North America, once again speaking with thousands of people to hear their perspectives on social and political issues.

In 2017, Latham once again took to the road, this time walking across the state of Tennessee. The roughly 500-mile journey brought funds to the St. Jude Children’s Hospital, an institution with which Latham has a personal connection.
