VT Course	VCCS Course	Admission Advising
Environmental Conservation and Society (ECS)		
BIOL 1105 + 1115(lab)	BIO 101	Required
BIOL 1106 + 1116(lab)	BIO 102	Required
MATH 1025 (or MATH 1225)	MTH 261 (or MTH 263)	Required
ECON 2005	ECO 202	Strongly Recommended
ENGL 1105	ENG 111	Strongly Recommended
ENGL 1106	ENG 112	Strongly Recommended
Choose One: STAT 3005 or STAT 3604	Choose One: MTH 245 or PSY 210 or PSY 213	Strongly Recommended
ACIS 2115	ACC 211	Recommended
BIOL 2804	BIO 270	Recommended
ENSC 3134	HRT 205	Recommended
PR 2044	CST 221	Recommended
SOC 2004	SOC 268	Recommended
Choose One: GEOG 1004 or PSCI 1014 or PSCI 1024 or PSYC 1004 or SOC 1004	Choose One: GEO 210 or PLS 135 or PLS 140 or PSY 200 or SOC 200	Recommended
Courses listed above will satisfy requirements for all 3 tracks in this major: - Environmental Education and Outreach Track - Leadership and Sustainability Track - Recreation and Tourism Management Track		
(Major Disclaimer) Due to the unique nature and small size of this major, a majority of in-major classes are only offered once a year and serve as a foundation for later courses (prerequisites). This results in a very rigid course sequence for students who transfer into the program. Students generally take 5-6 semesters to complete the required coursework after transferring to VT, regardless of the number of credits completed before entering VT. As such, we recommend that students transfer soon after they have completed all "required" and "strongly recommended" courses listed above, regardless of whether or not they have completed all "recommended" courses.		

Required course - In order to be competitive for admission, prospective transfer students must complete this course prior to transfer with few to no exceptions. Not every program has courses in this category.

Strongly Recommended course - Prospective transfer students are strongly encouraged to complete some or all courses in this category prior to transfer. Successful completion of a Strongly Recommended course both fulfills certain degree requirements and can help create a more competitive application for admission, but prospective transfer students with otherwise strong applications could be admitted without this course. Not every program has courses in this category.

Recommended course - Prospective transfer students are encouraged to complete some or all courses in this category prior to transfer. Successful completion of a Recommended course both fulfills certain degree requirements and can help create a more competitive application for admission, but Recommended coursework should be pursued in addition to coursework listed from the Required and Strongly Recommended categories. Prospective transfer students with otherwise strong applications could be admitted without this course.
